GENERAL
LIFE, FIRE INS.
AND
COMMISSION AGENT.

Durham, N.C. Dec 3 1881

My dear Mattie

Enclosed \$10 - & wish you to pay
the enclosed bill of Hunter & Co & return
it to me receipted - Also purchase winter
flannel & put it on, if you have not
such already - All are well except
myself - I am ailing as usual & have
been poorly for several days - I told
C. B. Green & G. B. Webb to send you
the Daily Plant & Reader that you
might see the proceedings of Conference
each day - We had a grand time
& good eating - nearly 30 at each meal
besides our own household - Annie
said she would write you, but I don't
depend much on any of them for writing
I have but little time & you must be
satisfied with short letters -

Yours affectionately
J. Southgate
