My dear Sir

As requested, I went to Durham to see your bro. Thomas & found ~~him~~ him suffering from Gastro-Duodenal Catarrh - Dr Smith told me he had found several Gall stones that had passed but if this is true they must have been very small as there has been no symptoms of Hepatic Colic (severe) - I suggested several things which the Dr accepted very readily & I hope to hear a good report of him in a week or ten day; but the cure

must be slow - Mrs Ball went
down this A.M. & I will
hear from him soon -
The kidneys are laboured very
much & Buffalo Springs
would improve them very
much or he could be bene-
fited at some good Sulphur
Springs - Would have an-
swered you letter this morn-
but train left before I re-
ceived yours

Yours Truly
