BENSON & RIPPEY, Managers.

DURHAM, N. C.

Durham was first settled in 1866, and has grown very rapidly until it now contains a population of 2,500. It is particularly noted for its tobacco factories, embracing ten of the most prominent factories in the United States, whose brands are known almost everywhere. It is situated 28 miles from Raleigh. It promises to be one of the most lively towns for business in the State.

WELDON, N. C.

Weldon, the county seat of Roanoke County, is situated at the junction of the Wilmington and Weldon, Raleigh and Gaston, and Petersburg and Weldon Railroads. The Junction Depot is a large building, and, considering the size of the village, may be truly said to be of an imposing appearance. The Roanoke river runs within 300 yards of the village. Weldon is distant (by railroad) 97 miles northeast of Raleigh, 63 miles south of Petersburg, and 162 miles north of Wilmington. Population, 1,000.
